Welcome

Congratulations on your decision to embark on an AMI Montessori training program and thank you for choosing SMTC as your training institute. AMI Montessori courses are renowned globally for their holistic approach and rigour. Undertaking the course will open many possibilities for you and we look forward to supporting you in your endeavours throughout the course.

About SMTC

SMTC was established in late 2018 as a not-for-profit entity with the sole purpose of making regular high-quality AMI Montessori training available and accessible in Australia.

SMTC is delighted to be authorised to deliver the following Association Montessori Internationale (AMI) Montessori courses and certificates:

- AMI Montessori 0 - 3 Orientation Certificate
- AMI Montessori Assistants to Infancy Diploma 0 - 3 years
- AMI Montessori 3 - 6 Orientation Certificate
- AMI Montessori 3 - 6 Diploma
- AMI Montessori 6 - 12 Orientation Certificate
- AMI Foundation Certificate
- AMI Montessori 6 - 12 Diploma
- AMI Montessori Introduction to Adolescents Certificate
- AMI Montessori 12 - 18 Diploma
- AMI Montessori School Administrators Certificate

AMI was established by Maria Montessori and has affiliated training centres around the world. AMI courses are recognised internationally for their authenticity and quality.

For a schedule of all of our courses and workshops please see.

<https://www.montessoritrainingcentre.com.au/courses/>

The Orientation Certificates are short courses for those interested in Montessori philosophy and/or in becoming a Montessori Assistant. The AMI Foundation Certificate provides a basic understanding of essential developmental theory and pedagogical principles as applied in Montessori education. It is also a prerequisite for those wanting to enrol in the AMI Montessori 6 - 12 Diploma who do not already hold an AMI Montessori 3 - 6 Diploma.

Qualification Authorising Body

The AMI Diploma and Certificates are awarded by AMI. They do not form part of the Australian Qualifications Framework.

Please note that the AMI Montessori Diploma does not automatically qualify the holder to teach or work in a classroom setting. The state or country in which the AMI Montessori Diploma-holder wishes to work may have other teaching requirements that must be fulfilled. For example, in New South Wales teachers must be accredited to teach through the NSW Education Standards Authority and in Victoria, teachers must be accredited to teach through the Victorian Institute of Teaching.

The Certificate does not automatically qualify the holder to work as a teacher's aide or assistant. The state or country in which the AMI Certificate-holder wishes to work may have other assistant requirements that must be fulfilled.

It is the responsibility of students to investigate local jurisdictional requirements that may apply to their situation.

Our Staff

Each AMI course is under the direct supervision of an AMI Trainer, the Director of Training, who delivers the course and is responsible for all pedagogical matters. The Trainers are appointed by AMI to conduct the course. Each Director of Training is an experienced Montessori practitioner who has also completed the extensive AMI Training of Trainers (TOT) programme.

The Trainer is assisted by other academic staff, some of whom may be candidates in the TOT programme. Local and

international guest lecturers with a specialist expertise may deliver specified parts of the course content by invitation.

Examinations are presided over by an external international AMI examiner.

Vaccination Requirements

As at the date of publication of this handbook (17 December 2021) some States and Territories of Australia have requirements for double vaccination for work in childcare and school environments subject to certain conditions. Whilst there may be some flexibility for special circumstances, observation and teaching practice are a requirement of this course and must occur substantially in-person in suitable school and childcare environments. Further, there are components of the course which must be completed in person in accordance with AMI guidelines. Our Perth and Sydney training centres are located within schools and are likely to be subject to the same COVID related rules as schools.

Given the above, if you are not double vaccinated, or do not intend to become double vaccinated in 2022, we suggest you consider the local laws in the jurisdictions in which you plan to undertake the course and your observation and teaching practice and consult with your Director of Training about whether you will be able to meet the course requirements in your particular circumstances. Please also be aware that SMTC reserves the right to make policies from time to time to protect the health and safety of its staff and students having regard to the COVID-19 situation in the relevant location from time to time.

Faculty

Amy joined SMTC in 2019 as the Director of Training for the 3-6 Diploma and Orientation Certificate courses. Amy is actively involved in the provision of Montessori professional development, including parent and community education. When she is not training, Amy can be found working with children and mentoring in different 3-6 environments.

Kay Urquhart

Kay's Montessori journey began the very day she visited a Montessori school in Sydney's South West. As a student studying for a degree in education, she knew from that day that a Montessori environment was a natural way for children to learn about themselves and about the world in which they live.

So, within the next few years, Kay gained her Teaching Degree from the University of New South Wales, and her AMI Montessori 3-6 Diploma from the Australian Montessori Teacher Education Foundation and began her career as a Montessori Guide. For almost 20 years she served communities in several Sydney Montessori schools, guiding children and supporting families while mentoring assistants and new guides.

In 2012 Kay joined the AMI Training of Trainers program which saw her assist the Directors of Training in AMI Montessori 3-6 courses in Sydney and the United States. As an indigenous woman, Kay is passionate about empowering teachers to invest in honouring the culture of First Nations people and incorporating the values of culture and the connections to country into Montessori environments. Kay joined SMTC in 2021.

Natasha Williams

Natasha initially trained at the Maria Montessori Institute in the UK and holds an AMI 3-6 Diploma. She has experience working in numerous Montessori environments both in Australia and the UK. After travelling around Australia and to many parts of the world with her family, she now lives with her husband and two daughters in the Sapphire Coast region of NSW, Australia. She is passionate about becoming an AMI Teacher Trainer so that more children will have access to the Montessori Method around the world.

Natasha will be participating in the Perth 3 to 6 Diploma as a Trainer in Training.

Application and Enrolment

Course Prerequisites

- A tertiary qualification.

A tertiary qualification in any field of study is required. However, under special circumstances the Director of Training may make exceptions to this requirement based on other studies, work or life experience. In the case of applicants from non-English-speaking countries, qualifications must be translated into English and certified by an accredited translator.

- Motivation

SMTC recognises that intellectual ability alone does not necessarily make a good student. Interest and motivation may often be determining factors of a student's performance. Accordingly, SMTC will review academic records, work history and life experiences. Applicants must demonstrate personal suitability for training, including emotional maturity, integrity of character, intellectual creativity, independence and the aptitude for psychological insight and understanding.

Application Procedure

Applications are accepted on a rolling basis. Students should apply at least two months prior to the commencement of the relevant course to ensure placement availability and proper processing of their application. Applications submitted after this date may be accepted based on availability. Late applications will be considered on a case-by-case basis. Once full enrolment limits for a course have been reached, a waiting list may be established.

Application forms and requirements can be requested by mail, phone or email and can be found at www.montessoritrainingcentre.com.au/study/how-to-apply. Completed applications should be returned with supporting documents to the SMTC Administration Centre via email or registered post.

Application Materials

Candidates will be considered for admission after completion of the application form and on receipt of all the following supporting documentation.

1. A CV outlining academic and employment history;

2. Transcripts of previous tertiary study;
3. Certified copies of qualification certificates;
4. Two signed letters of recommendation, one professional in nature and one a character reference. If the applicant holds an AMI Montessori Diploma at another level, one recommendation must be from the previous Director of Training.
5. A short autobiographical essay outlining the applicant's past experiences and future direction, particularly relating to working with children. It must be written by the applicant in their own words, be typed and approximately two pages in length.

The essay should address the following questions:

- a) Why do you wish to follow Montessori training?
- b) How did you learn about the course?

Once all documentation has been received, an interview with the Director of Training, and on occasion with the Training Centre Manager will be scheduled.

Other Application Materials

- Working With Children Check (WWCC) or equivalent

A Working With Children Check/Blue Card or equivalent is a requirement for people who work or volunteer in child-related work in Australia and other parts of the world. In Australia it generally involves a national criminal history check and a review of findings of workplace misconduct.

There is no single national framework setting out the requirements for obtaining a Working With Children Check/Blue Card. Every state, territory and country implements their own procedures in relation to child protection. It is therefore imperative that individuals working, or interacting in school or childcare environments with children, in specific jurisdictions adopt the requirements of that state/territory/country.

As some SMTC locations share its premises with a school and/or an Infant Community and as SMTC students are required to complete practical and observation work in school and childcare environments with children, students will not be permitted to undertake the course or their teaching practice and observations without proof of one of these checks.

Students must provide the relevant check to the SMTC Administration Centre via email for the jurisdiction in which they reside prior to course commencement. Further, if a student is to undertake an observation or teaching practice in another State, Territory or country, they must also obtain the relevant check in that jurisdiction before commencing the observation or teaching practice. A student's enrolment in the course may be suspended, or result in dismissal, if a check above becomes invalid or expires without replacement during the term of the course or practical/observation component.

- Governmental Permissions (e.g. Visas) for Overseas Students

Overseas students are responsible for ensuring that they have all appropriate governmental permissions prior to arrival at SMTC and are eligible to study in Australia. This includes having a visa which enables the student to study in Australia and complete the entire course. Please be aware that SMTC is currently unable to offer visa sponsorship and it is the student's responsibility to apply for and obtain an appropriate visa. Proof of visa status may be required by SMTC from the student and SMTC may suspend the student's enrolment in the course or immediately dismiss the student from the course where a visa, or proof of visa, is inadequate or not provided. SMTC is able to provide a letter of intent for 6 - 12 students who are applying for a visa from their home country.

- Proof of English Proficiency

All components of the course will be conducted in English. Applicants whose native language is not English are required to demonstrate proficiency in English as determined by either:

- a) The International English Language Testing Sydney (IELTS) (Academic) with:
 - i) a minimum score of 5.5 is needed in reading and writing; and
 - ii) a minimum score of 5.5 is needed in speaking and listening. OR
- b) The International Second Language Proficient Rating (ISLPR) with:
 - i) a Level 4 score in all four-skill areas of listening, speaking, reading and writing, undertaken at approved testing sites where the assessment is teacher focused.

If either of the IELTS or ISLPR exams are not taken, such as in the case of a candidate living in an English-speaking country for many years, the student will be considered to have English proficiency as a native speaker in terms of albums and exams.

It should be noted that language requirements for registration as a teacher in NSW are governed by the [NSW Education Standards Authority](#) (NESA) and in Victoria by the [Victorian Institute of Teaching](#). Please refer to the NESA or the Victorian Institute of Teaching websites, as applicable, for further details.

Other states and territories of Australia and other jurisdictions around the world will have their own language and other requirements which students are responsible for independently researching, if applicable to them.

Confirmation of Enrolment

All applicants will be notified of the outcome of their application by letter. Successful applicants will receive a confirmation of enrolment letter. Please be aware that your place is not confirmed until such time as the applicant makes their first payment towards the course fees in accordance with the fee schedule for the relevant course.

Probationary Status

Students accepted into the course on probation will be notified of this status at the time of acceptance into the course. This status is effective through the first block of the 3 - 6 course. If the student is in good standing at the end of the probationary period, the student will be notified in writing that the probationary status has been lifted. If a probationary student is not in good standing by the beginning of the second block, the Director of Training will make a final review of the student's participation in the course and a decision will be made regarding the student's continued participation in the course. This decision will be based on an evaluation of work to date, extenuating circumstances, attendance, class participation and the student's commitment to completing the course requirements.

Financial Matters

For all matters regarding your fees, please contact the SMTC Administration Centre via [email](#).

Training Course

Course Title

The complete title of the course is 'Montessori Diploma Casa Dei Bambini' of the Association Montessori Internationale (children ages 2.5 to 6+ years)'.

The Diploma of the Association Montessori Internationale:

The AMI Diploma is granted upon satisfactory completion of the course requirements which include:

- Attendance at lectures and demonstrations;
- Observations, including submission of observation notes and accompanying assignments; ● Practice Teaching;
- Supervised practice sessions with materials;
- Submission of teaching manuals (reference albums) containing illustrated notes on the Montessori materials;
- Samples of classroom materials constructed during the course;
- Passing marks on both written and oral final examinations conducted by AMI Examiners; ● Upon recommendation of the pedagogical staff of SMTC.

The AMI Diploma is internationally recognised. All AMI Diplomas state the holder has "Studied the principles and practice of the Montessori method for children from 2.5 to 6+ years of age" and has "passed the written and oral examinations".

Students should note: Awarding of this AMI Diploma does not qualify the holder to train other teachers.

Jurisdictional Requirements to Teach

The AMI Diploma as it stands, does not automatically qualify the holder to teach. To be a teacher in Australia, students will need to register to - or be accredited by - a teacher registration board. This is not a unified procedure nationally and is divided on a state/territory basis.

Students are responsible for independently researching such requirements if applicable to them.

For more information on gaining accreditation in Australia, please see the relevant teacher registration boards appropriate to the state:

[ACT Teacher Quality Institute](#) (TQI)

[NSW Education Standards Authority](#) (NESA)

[Teacher Registration Board of the Northern Territory](#)

[Queensland College of Teachers](#) (QCT)

[Tasmanian Teachers Registration Board](#)

[Victoria Institute of Teaching](#) (VIT)

[Teacher Registration Board of WA](#) (TRBWA)

Course Units

The courses units in the AMI Montessori Diploma are:

- The Montessori Philosophy, Psychology and Child Development
- The Child's Acquisition of Fundamental Learning Skills
- The Development and Education of the Senses
- Language and Literacy
- Mathematics
- Montessori Materials and their Role in Assisting Child Development
- The Critical Role of Observation
- Montessori Professional Experience
- Educational Theory and Practice
- Administration
- Reading and Discussion Sessions

The course presents an examination of the development of the child in accordance with Dr Maria Montessori's theories, principles and philosophy. Emphasis is given to children between the ages of 3 - 6 years. The course content includes lectures on:

- montessori philosophy;
- psychology (theory and practice);
- demonstrations;
- construction of materials;
- supervised practical sessions with the Montessori apparatus;
- observation and
- practice teaching in AMI-approved Montessori classrooms.

AMI Requirements for Certification

The AMI Montessori Diploma is awarded upon satisfactory completion of the components of the course requirements and the attendance requirement listed on the AMI Requirements for Certification document (found in Appendix A), that is signed by the Director of Training and the student upon acceptance into the course.

The AMI Montessori 3 - 6 Diploma is granted upon satisfactory completion of the following course requirements:

- A minimum of 90% attendance at lectures and practical sessions with the materials;
- Submission of original reference albums;
- Assigned material-making projects;
- Observation notes and summaries;
- Practice teaching as scheduled;
- Passing grades on both written and oral examinations.

Admission to the training course does not guarantee certification. The course requirements and guidelines are intended

to prepare for the task of guiding children and bringing your coursework to a level required for the examination. The course is unique in nature regarding its instruction, intensity and the importance of continuity.

Albums

Each student will complete a personal reference album of their own written and illustrated exercises for each of the curriculum areas covered in the course subjects. These exercises must be written according to the prescribed format. Only materials presented on this course should be included in the album.

Notes and sketches taken during the lectures are the basis from which the student prepares course albums. Taking full, complete notes is required. The process of writing and illustrating albums is an internalisation and restatement of the course content that verifies the student has understood and is able to prepare a coherent record or presentations suitable for children aged 3 to 6.

Albums are evaluated regularly by the training staff and practising Montessori teachers under the guidance of course staff. Written feedback is provided to students as they are evaluated. Based on this evaluation feedback, students should become aware relatively early in the course if they need extra assistance in this area and a plan can be put in place with the trainer for this assistance to be provided promptly by training staff.

The list of presentations and illustrations required and due dates will be provided on an assignment sheet issued during the course by academic staff. Album work will be returned with comments indicating if corrections are to be made. Corrections must be made and are the responsibility of the student.

Binders should be purchased for the cumulative album in each of the following areas:

- Practical Life
- Sensorial
- Culture
- Language
- Mathematics
- Theory

Album pages must be on good quality A4 paper.

Supervised Practice and Independent Practice with Montessori Materials

Supervised practice offers students the opportunity to solidify understanding and techniques of the didactic apparatus before starting work with children in a classroom. Students must practice a minimum of 140 hours under the supervision of SMTC staff. The purpose of these practice sessions is to provide each student with an opportunity for active manipulation of the materials with the accompanying verbalisation. During the time set aside for supervised practice, students are expected to work with the materials, rather than edit notes or complete illustrations. Only practice with the materials meets the AMI requirements for practical sessions.

The Training Centre is available for independent practice before and after class time, including over the lunch period, during opening hours. Additional hours may be available on a scheduled basis with SMTC staff. Independent practice is the time for each student to become familiar with each exercise before writing that exercise as demonstrated. Unsupervised practice is recommended for at least two hours a week at which times notes may be used.

Required Materials and Supplies

Each student is required to prepare specific materials for classroom use. SMTC advises that the student budgets up to \$1,000 for material making and course supplies including text books, notebooks, coloured pencils and associated supplies; folders, binders and dividers.

Written Papers

Theory papers are written by students during the course. Criteria for assessment of written assignments include:

- Accuracy of topics;
- Capacity to carry out independent research;
- Understanding of research topic;

- Depth and relevance of research;
- Logical thought process presented in written form;
- Presentation (spelling, grammar, layout, referencing, etc.);
- Ability to submit work on time (time management skills).

Observation

Observation is an essential skill for guiding a Montessori environment. Observing full-size classes of mixed-aged children in a variety of locations helps to develop this skill. Our emphasis when training for the ability to observe is first to develop the skill of observation, then to use that skill in implementing practices that meet the 3 - 6 child's developmental needs.

Assigned observation will be scheduled by SMTC course staff in the classrooms of AMI Montessori 3 - 6 Diploma-holders. The student must arrange to stay full school days at the observation site over the week of each session. Students are generally not permitted to observe at schools where they work or at a school where the student's child may be enrolled. We can offer observation placements in Victoria, New South Wales, Western Australia, other states of Australia, and in some overseas locations.

Students submit reports based on these directed observations. The reports cover details of observed classroom practice and child development. After each scheduled observation there is a group discussion on campus of students' experiences, observations and questions.

Criteria used to assess these reports include:

- Attention to detail;
- Ability to record observed detail in a meaningful and useful way;
- Ability to observe and assess how the details recorded directly relate to child development;
- Ability to draw conclusions from the detail recorded;
- Diligence in the recording of timed observations;
- Understanding of graphed observations.

Observation Reports are read by staff and written feedback is provided.

As students are working and in classroom environments with children, confidentiality is expected.

If students have concerns or questions about anything they observe in a classroom, they are encouraged to raise this directly with the Director of Training in the first instance.

Practice Teaching

Practice teaching offers the student an opportunity to work with children using the Montessori approach and materials. Through this, students can assess first-hand their ability to work with children of this age group. There will be a supervisory visit from SMTC academic staff during one practice teaching period. If necessary, a second visit will be made during the second practice teaching period.

Students will practice teach in classrooms with AMI Montessori 3 to 6 prepared environments where the Director holds an AMI 3 to 6 Diploma.

After each scheduled practice teaching session, there is a group discussion on campus of students' experiences, observations and questions.

Criteria used for assessment of a student's contribution in the prepared environment include:

- Personal qualities such as, responsibility, a calm demeanour and a positive outlook;
- Human relations such as a respect for and a rapport with children;
- Communication skills such as the ability to model effective oral and written expression;
- Planning abilities such as the planning of effective learning experiences appropriate to the needs and interests of the children;
- Ability to use appropriate strategies and to work with individual children, small groups and larger groups;
- Curriculum competency, knowledge of and ability to integrate the curriculum content areas and competence in the use of specific Montessori early childhood educational materials;
- Professionalism such as self-evaluation and the maintenance of confidentiality;

- Demonstrated ability to keep detailed records on individual children.

Practice Teaching Reports are read by SMTC staff and written feedback is provided.

Written Examinations

The course schedule sets out the dates for written examinations and all students are expected to be available to present the exams on those dates.

There are two written examination papers:

1. Paper A contains theory questions on key Montessori concepts such as the Absorbent Mind, Adaptation, the Four Planes of Development, the Human Tendencies, Sensitive Periods, Freedom and Discipline, Independence, Movement, Social Cohesion, the Prepared Environment, Development of the Will, the Montessori Adult, Friendliness with Error. The questions are worded from a different perspective from year to year.
2. Paper B contains questions which reflect the basic Montessori principles and how these underpin the key materials in each of the curriculum areas. While this paper is more practically oriented than Paper A, questions are worded so that they are different to those asked in the Oral Exam.

In each paper, 4 questions out of a choice of 7 need to be answered. A selection of examination questions is submitted by the academic staff to the Pedagogical Committee of AMI. The official examination questions are chosen by this committee from those submitted. At the discretion of the Director of Training, one question on each paper may be a compulsory question.

Oral Examinations

Each student is required to demonstrate his or her knowledge during an oral examination before an examining committee selected by AMI and the Director of Training. Any student sitting for the examination is required to be available during the entire examination period.

At this examination students are required to present Montessori educational materials in all four areas of the Montessori prepared environment and are evaluated on the basis of demonstrated competence with the materials and on their ability to articulate knowledge of the relationships between the materials and the supporting theory.

Criteria for assessment include:

- Competence in the presentation and knowledge of the Montessori educational materials;
- Ability to articulate knowledge and understanding of the relationship between these materials and the supporting theory;
- Ability to integrate one part of the course with all other parts;
- Demonstrated critical thinking.

Required Individual Homework

Students should be advised that a considerable number of hours should be allotted for their course work outside of scheduled lectures. A minimum of 10 hours each week is usually needed for preparing albums and illustrations, making materials, reading and studying. All album-writing and illustrations are to be done outside of class hours.

Required Readings

Each student is required to read selected materials and participate in discussions on assigned topics throughout the course. The assigned readings are from the required course reading. If the assigned reading comes from another source, the text will be provided for students.

Ongoing Observation of Students by Academic Staff

Throughout the academic year, there are continuous opportunities for academic staff to observe students and assess their progress. These include:

- Participation in seminars and tutorials;
- Contribution to small group and whole group discussions;
- Practice teaching and observations in Montessori early childhood settings; ● Practice with the Montessori educational materials.

These observations enable staff to provide ongoing feedback to students about their progress and to provide additional support as needed. Criteria for assessment include:

- Ability to absorb and understand philosophical issues;
- Capacity for independent, original thought;
- Capacity to ask valid questions relevant to discussions;
- Attention to detail (to the analysed movements) when working with and presenting Montessori educational materials;
- Evidence of the social skills that will be required for respectful communication with parents and children;
- Ability to translate the theoretical underpinnings into practical situations.

Conferences

Conferences with the student and the Director of Training are scheduled during each semester or module and again at the conclusion of the written examinations but before the oral examinations. During these conferences, a student's performance is reviewed and feedback is given about their completed work and progress within the course.

Aspects of the course which are discussed and reviewed include:

- Student's essay writing and research skills;
- Practice teaching reports;
- Time management;
- Work with the Montessori materials;
- The progress of required reading and additional texts;
- The Student Code of Conduct;
- Personal well-being and health.

Students have the opportunity to ask questions and request assistance.

Additional conferences are arranged when required. However, the student's academic progress remains the student's responsibility.

Evaluation of Student Work

Evaluation of Work

All assignments must be completed to the satisfaction of the Training Centre staff. A Satisfactory/Unsatisfactory grading system is used for course work. This system of grading applies to written papers, reference albums, practice with Montessori materials, practice teaching, material construction and any general course assignments. Work must be completed to be considered satisfactory. Numerical grading is used for final written examination papers and final oral examinations. All late assignments affect the final grades in the course.

Students submit regular album assignments that are read by Training Centre staff and AMI trained teachers. Student work is then returned with written comments. Students must keep all comment sheets to make required corrections as soon as possible, while the content is still fresh. No claim is made that all omissions or content errors will be found by readers, although we do our best.

SMTC recommends that students keep a copy, even if in the form of photographs, of all work submitted, to address the unlikely circumstance that the work is misplaced or lost.

However, please keep in mind our plagiarism and reproduction or recording of course lectures and materials when storing copies, in electronic form or otherwise, as breaches may lead to dismissal from the course.

Evaluation Records

Training Centre staff are available as advisors to the student throughout the course. The staff keep detailed records of academic progress in relation to album work, practice teaching and practice sessions, observation notes and materials construction. Successful completion of the course will be based on records reflecting complete and satisfactory coursework, as well as satisfactory completion of the final written and oral examinations.

Deadline for Completion of Course Work

Our experience indicates that students who consistently turn in their work on time are better prepared for the final examinations. As a result, due dates are strict, and it is expected that all work will be turned in on time. Students will be notified well in advance of work deadlines. A student may be placed on probationary status as a result of submitting late work on more than two occasions. There will be no guaranteed return date for work submitted late. Exceptions to this policy must be discussed in advance with the Director of Training.

Changes, Corrections and Resubmission of Album Work

Typed or neatly handwritten illustrated records for each activity demonstrated, must be handed in for review as scheduled. Any or all work that does not meet the satisfaction of Training Centre staff must be corrected and resubmitted until it is satisfactory to ensure the work demonstrates clear thought, use of correct grammar and spelling and are complete. The student should change the text or illustrations in the album if the reader has indicated them to be incorrect, unclear or insufficient. If a student is unclear about the action required by a comment, please contact the Training Centre staff as soon as the work is returned.

If all coursework and albums (and their corrections) have not been submitted in a timely manner for a final check, a student may not sit the written and oral exams.

There will be a fee for each late album submitted after the albums' final due date which must be paid prior to the album being reviewed by Training Centre staff and returned to the student.

Grading Criteria

The AMI Montessori 3 - 6 diploma is demanding and exacting, comparable to graduate level work. Throughout the course, the Director of Training will make periodic evaluations of each student's theory and practical work. Any student not performing at the expected standards may be placed on probation or asked to withdraw from the course.

Grading criteria for albums and papers:

- Submission of album work by the due date;
- Clear and complete written presentations;
- Accurate reflection of the presentations given on the course in which the student is enrolled. Only albums that reflect the course being followed can be evaluated toward this requirement;
- Evidence of understanding the nature of the assignment;
- Neatness and legibility: well-chosen font and adequate spacing;

- Edited for correct grammar, spelling and punctuation including complete sentences, paragraphs and subtitles as required;
- Adequate and accurate illustrations – absolutely no downloaded images should appear in your albums;
 - Must be the student's original work. **Plagiarism is grounds for dismissal from the course.**

Grading Criteria for Materials:

- Submission of materials by the due date;
- Completeness, care and accuracy of the materials;
- Attention to detail, including neatness and legibility;
- Includes the student's name written on each material.

Grading Criteria for Observation and Practice Teaching:

Written observation notes will be due on dates as advised during the course. Raw notes addressing the assignment topic, as well as the summary paper and assignments, are required for a pass. During each of the practice teaching assignments, students are required to complete specifically requested records for a pass and submit them by the assigned date.

Grading Criteria for Written Examinations:

Written papers are marked by SMTC academic staff according to specific criteria. All written papers are identified by a letter/number code and not by student name until marking is complete. Each question is marked out of 25 and the total pass mark for all four answered questions is 50%. Evaluation of the written exam is completed prior to the oral exam and students are given oral reviews of their performance prior to the oral exam. An independent invigilator is present for the extent of the written exams.

Criteria for assessment include:

- Depth of understanding of the subject matter;
- Relevance of the information given;
- Use of appropriate examples and illustrations;
- Integration of theory and practice.

To achieve a passing score, the student must answer all parts of the question, reflect an understanding of Montessori theory and the ability to relate examples to theoretical points. Students receive a confidential number, papers read by the course evaluators are not linked to a student until after all papers have been read and scored. Any paper that does not receive a passing grade will be read by at least one additional evaluator.

Students for whom English is not the native language will be allowed extra time according to AMI guidelines, where applicable.

Grading Criteria for Oral Examinations:

Each student must show his or her knowledge during an Oral Examination before an Examining Committee. Committee members are selected by AMI from among AMI training centres and others who are qualified examiners. An appointed examiner heads the examination team.

A score of 12.5 out of 25 in each of the four areas is required to pass the oral examination. These areas are: Practical Life, Sensorial (incorporating the cultural materials), Language and Mathematics. To receive a passing mark in each subject, the student must demonstrate that s/he knows:

- How to present the concept of the material named on the slip chosen;
- The purposes, direct and indirect aims and the ages of children to whom the material is presented;
- The activities that preceded the presentation, those that would follow it and what the presented exercise prepares for;
- Control of error, if any;
- General theory about the particular area;
- Highlights and progression of each of the subjects.

Notification of Results

Albums:

Evaluators will make written comments for refining or correcting work. All changes must be made before the final album check. It is best practice to make the necessary changes immediately after the work is returned.

To be eligible to sit for oral exams, all albums must be submitted by the published due dates for final album check.

Exams:

Each student will be notified of the results of the written and oral examinations. For those not passing the exams, a letter outlining the steps for course completion will be posted to an address designated by the student. The decision of AMI examiners is final.

Students must complete the course with the grade of pass in both the written and oral examinations to graduate and be granted the AMI Montessori 3 - 6 Diploma.

Make-up / Retake of Work or Examinations

Students not completing any portion of the course work satisfactorily must make special arrangements for completion with the Director of Training.

Students failing any portion of the final written or oral exams, or those unable to sit for oral exams as a result of incomplete work, may retake the failed portions of the examinations the following year (within 12 months). The examinations may be taken the second time at any certified AMI Montessori 3 - 6 Training Centre during their regularly scheduled examination periods, with prior written approval from that centre.

Additional practice with the materials, written work and/or attendance at lectures may be required as a prerequisite for retaking the examinations.

Final examinations may only be taken twice and no later than one year after the first sitting. If the student resits the exam at another training centre, that centre may impose a financial assessment for the service.

AMI Requirements for Certification

AMI will award the AMI Montessori Diploma to those students who have satisfied AMI examiners in each of the above requirements. The AMI Montessori Diploma must bear the signatures of the President and the Executive Director of AMI and be signed by the Director of Training for the course. The AMI Montessori Diploma certifies that the person has successfully completed the AMI Montessori 3 - 6 Course.

Copies of Diploma

Please scan or photocopy your AMI Diploma and store the original in a safe place. AMI and SMTC do not issue duplicate AMI Diplomas, should they be lost or damaged.

SMTC Policies

Plagiarism

Submission of work that is not original, or is that of another person, constitutes cause for immediate dismissal from the course. Both parties involved passing or sharing work will be accountable and thus subject to consequences. No illustrations, diagrams, photos, etc. downloaded from the internet or obtained from a source other than SMTC pedagogical staff on this training course will be permitted.

Students who request work from fellow students for legitimate reasons must request and complete the Permission to Use Student Notes form. Please see the details given above.

Reproduction or Recording of Course Lectures and Materials

The albums that the students prepare and submit for examination are intended for that student's own personal use when working with children. They may not be published, shared, distributed or reproduced physically, digitally or in any other form, for any other purpose. All course handouts are provided for students' personal use and may not be published or reproduced for any other purpose than your own studies.

Recording of lectures, whether audio or video, is not permitted. Undisclosed recording of any kind will result in dismissal from the course.

Statement of Confidentiality and Accessibility of Files

SMTC retains records through the delivery of the course. Daily attendance records for lectures and supervised practice are maintained by the Training Centre staff. Evaluations of course work, including album work, are held in the centre's office.

Upon completion of the course, or at the time of a student's withdrawal from the course, a permanent file is created and held in the archives. This file contains all of the following, or the appropriate portion thereof:

- Original application for admission and all supporting documents;
- Individual student records from the course;
- Summary evaluations of the Materials Reference Books (albums), materials, observations, and practice teaching;
- Summary sheets with scores from the written and oral examinations;
- A copy of the signed and dated AMI Diploma.

All student files are held in the strictest of confidence and are accessible only upon written request and authorisation by the student to the Director of Training and/or SMTC as applicable. All parts of the permanent file remain in the sole possession of SMTC and the Director of Training.

Should a student wish for a verbal reference to be given by the Director of Training for the purposes of education or employment, after making a verbal request of the Director of Training, the student will need to provide written authorisation.

Attendance Policies

Full attendance and satisfactory participation are required for all lecture/demonstration sessions as attendance records are kept. As a prerequisite for final examinations, students must attend regularly and be punctual for lectures, supervised practice, observation and practice teaching. Due

to the intensity of the course work, students are urged to keep their absences due to illness or family emergencies to a minimum. Students are requested to notify Training Centre course staff in advance of an anticipated absence. Excessive absence will impair the student's graduation prospects, and students must attain at least 90% attendance to sit for the written and oral exams.

If you are ill or cannot attend class, please contact the Trainer as soon as possible.

Any absence from the course must have the Director of Training's approval. In the event of extended absence due to medical reasons, the Director will review the individual case. Students must arrange with Training Centre staff to make up course work missed due to excused absence.

Absences affect academic and practical performance. It is the student's responsibility to keep track of their own absences and maintain at least 90% attendance in all aspects of the course. The Director of Training will meet with the student when there have been 3 or more absences and the student may be placed on probation until attendance improves. Seven absences will be grounds for dismissal from the course.

The use of wireless internet during a lecture or supervised practice (unless authorised by the trainer) will count as an absence and be noted on the student record.

Dropout, Leave of Absence (LOA) and Deferred Course Requirements

Students who drop out or ask to leave the course for a legitimate reason, such as a medical emergency or death in the family, must request special arrangements to complete the course requirements and take the examinations. The Director of Training can defer a student's course requirements for up to 12 months because of such extraordinary circumstances.

Extraordinary arrangements may include attending the next academic year course offered by SMTC or travelling overseas to another AMI Training Centre. If another centre can accommodate the student, it is understood that the student may incur additional fees at their own cost because they are attending a different course.

Complaints

Should you have a complaint or concern regarding any aspect of the course or environment, please contact the Director of Training immediately. We seek to channel all energies in a positive manner, and a quick resolution of any

misunderstanding will help in this regard.

A formal complaint process exists. Details are available on request from the SMTC Administration Centre.

Questions and Clarification

At the end of lectures, there may be time for questions and clarification regarding the concepts and ideas presented. However, we ask that students do not interrupt a lecture when it is in progress as we move at a quick pace and have a lot of content to cover. The time for questions is normally at the end of a lecture, which will be indicated by the lecturer. Questions you may have could also benefit other students, so don't be afraid to ask for clarification. The Director of Training and other pedagogical staff will also be able to answer questions privately as needed.

You are required to understand the concepts presented by instructors to complete the course.

Reading your notes at the end of the day is a great way to gain understanding of the material. The entire class benefits from an open mind, and course instructors draw upon their own personal experiences with children. Although ideas are stated theoretically, they originate from direct experience with children in and out of classroom environments. Should your personal experiences differ, please arrange a private appointment with the lecturer for clarification.

Internet Policy

Wireless internet may periodically be available for student use (with your own device) at SMTC campus. Available times for this use may be before or after class or during the lunch period. Students are not permitted to use the internet while attending a lecture or during supervised practice on site. This conflicts with your studies as you need to be present to follow the demonstrations and participate in the activities of the group. This is also discourteous to the lecturer and sets the wrong precedent for your own classroom, where devices should not be used for personal reasons during class time. If a student is found to be using the internet during these times, the lecture or practice will be considered as an absence and recorded in the attendance record. No devices of any kind – phone, tablet or computer may be used for internet use during the supervised practical sessions.

Social Media Policy

Students are expected to maintain confidentiality and demonstrate strong professional ethics on all aspects of the course, including, but not limited to: observation, practice teaching, SMTC and related events. We ask students to work with staff to resolve issues or concerns. Students must not disparage or post negatively about SMTC, AMI or their staff members on any social media.

Student Conduct

SMTC broadly defines academic dishonesty as an act violating the rights of another student in academic work or involving misrepresentation of the student's own work.

Academic dishonesty includes, but is not limited to:

- cheating on assignments or examinations;
- undisclosed recording;
- plagiarising;
- misrepresenting work done by another person as your own work;
- interfering with another student's work.

SMTC staff will investigate charges of academic dishonesty. When charges are upheld, the student may be placed on disciplinary probation, suspended or dismissed from the course. This information will be recorded in the student's academic record.

Dismissal/Authorised Departure of a Student

An individual student may be dismissed from the course for behaviour causing a safety hazard to others at SMTC, for disrespectful or disobedient behaviour to another student or a staff member, for plagiarised work, or any other state or determined infraction of student conduct. Students may be asked to discontinue the course for medical, academic or other compelling reasons.

SMTC believes that a positive and constructive working relationship between the Training Centre and the student is essential to the fulfilment of our mission. Thus, SMTC reserves the right to discontinue enrolment of a student if SMTC

reasonably concludes that the student's actions make such a positive and constructive relationship impossible. Student behaviours that are neither respectful nor conducive to the community, including irresolvable differences regarding policies, interfere with SMTC's accomplishment of its educational purposes and the student's success.

All students are expected to abide by the conditions established for the course and any arrangement made for their training during the course. Tuition refunds will be determined by SMTC Board in accordance with the Refund Policy and the circumstances of dismissal.

Lecture Policy

Lectures given by SMTC staff may not be recorded as they are the intellectual property of the speaker. Using speech-to-text programmes, smart pens or similar recording technology is strictly prohibited during lectures without prior written permission from the lecturer. Transcripts of lectures, course handouts, album pages and other course work should not be published on the internet or otherwise distributed without written permission from SMTC.

Student Grade Reports and Transcripts

Student academic records are maintained by SMTC. You can obtain a transcript by sending a letter of request to SMTC. These are on a pass/fail basis only. Student records are not released to anyone other than the student without the express written consent of the student for that purpose.

Disability Statement

Students must disclose the need for special learning considerations or accommodations before the course begins. The student is responsible for providing SMTC with a written copy of the supporting diagnostic test results and professional prescriptions for auxiliary aids. Instructors are not required to compromise essential elements of the course or AMI evaluation standards. While SMTC will provide reasonable accommodations as needed, academic success is the student's responsibility.

Details should be sent via email to the SMTC Administration Centre.

Unexpected Closures

In the event of an emergency or unexpected closure of the Training Centre, students will be contacted by SMS message and/or email. Please ensure that your contact details are always up to date.

Dress

The dress standard for SMTC is casual; each student is personally responsible for maintaining an appropriate appearance and manner of dress. Students are required to dress professionally when completing observation and practice teaching in school environments.

Food and Drinks

Students may bring their lunch or purchase food in the nearby area. A microwave and fridge are available for heating and storing your lunch. Please remove food containers from the fridges at the end of each day. Any containers left in the fridge at the end of the week will be removed. Food placed in the fridge should be in sealed containers or securely wrapped.

Please ensure the kitchen is left in a clean and tidy manner, with all used items washed and returned to the cupboards.

Food and drinks, other than water in a covered container, may not be brought into the lecture room, practice areas or material-making space.

Protection of Personal Belongings

Students are asked to bring only those items necessary into the lecture space. SMTC strongly urges students to protect their valuables by not leaving them unattended.

Smoking

SMTC is a non-smoking environment. Smoking is not permitted inside any buildings, enclosed areas or grounds.

Alcohol and Drugs Policy

You are responsible for ensuring your capacity to perform your duties is not impaired using alcohol or drugs and that the use of such substances does not put you or any other person's health and safety at risk.

As a student at SMTC, you must:

- not attend under the influence of alcohol, illegal drugs or non-prescribed and/or restricted substances;
- not consume alcohol, illegal drugs or non-prescribed and/or restricted substances while at the Training Centre;
- notify SMTC staff if you are aware that your study performance or conduct could be adversely affected as a result of the effect of a prescribed drug;
- act to resolve any alcohol or other drug-related problems that you may have; ● consult with the Director of Training if you are concerned about other students or an employee who may be affected by drugs or alcohol.

Telephones

Mobile phones are to be turned off and left in your bag during lecture and practice sessions. If you are concerned that an emergency call might be missed, please give out the SMTC Administration Centre phone number found in 'Contact Information'.

Visitors

Visitors, including family or friends of students, may tour the classroom when class is not in session by prior arrangement with the Director of Training. For AMI Diploma-holders, permission to audit a lecture may be requested from the Director of Training.

The materials in the practice space are for SMTC students' use only.

COVID-19 (Pandemics)

All students, staff and visitors to any SMTC site must strictly comply with SMTC's COVID-19 or Pandemic safe policies applicable for that site at the time. Visitors who do not comply will be denied entry or asked to leave the premises immediately. We thank you in advance for your cooperation in ensuring the health and safety of our community. This may include retaining details of your attendance and providing them to Government authorities if necessary.

Where COVID-19 government and health guidelines impact our courses, for Australian and New Zealand students our intent is to implement, in consultation with AMI, accommodations in response to ensure that we continue to deliver our current and future courses insofar as is feasible.

Ethical Conduct

SMTC aspires to the highest level of professional behaviour, respect, integrity and the provision of equal opportunity in all we do.

Conduct with a professional and ethical culture is expected from everyone working, studying or being part of our community. We expect you to act ethically, fairly, transparently and with generosity of spirit. We treat any breach seriously and encourage this to be reported.

Sexual Harassment Policy

SMTC recognises the right of every employee, student and volunteer to be able to attend the Training Centre and perform their duties and studies without being subjected to any form of sexual harassment. It is the obligation and responsibility of every employee, student and volunteer to ensure that the Training Centre is free from sexual harassment.

SMTC is fully committed to its obligation to eliminate sexual harassment in the workplace.

Time Commitment

It is to your advantage to keep all outside activities and part-time work to a minimum as the course is demanding and time-consuming. The greater time commitment you make to the course work, the better prepared you will be for AMI examinations, and for your work in the future with children.

General Attitude

A positive, professional attitude should be maintained during the course, observations and practice teaching. A high degree of independence is also required for success throughout all aspects of the course. Characteristics of behaviour and personality will be considered and related observations may be discussed with you at conferences throughout your training. This is done in fairness to yourself, other students, the faculty and staff, the children and their families with

whom you will be working in future. Please feel free to discuss your observations and opinions with the Director of Training.

If this necessitates travel to an AMI affiliated training centre other than where you took the course, all expenses involved are for the account of the student, as well as any examination and related fees charged by the host centre.

Failure to Complete Course Work

Students failing to complete any part(s) of the other requirements (see B2) must fulfil that part(s) the subsequent year (within 12 months) in compliance with the recommendations and dates laid down by the Board of Examiners and/or the Director of Training.

Whether satisfactory alternative arrangements can be made will be within the discretion of the Director of Training.

2.4. If your attendance, participation record, conduct or demeanour, indicates that you will or are likely to be unable to comply with any of the course requirements, SMTC is entitled to direct that you discontinue the course. In that event, and even if the reason for the inability is not within your control (such as illness), SMTC's Fees, Cancellation and Refund Policy (available here [Forms and Policies | Sydney Montessori Training Centre](#)) will determine if you are entitled to a refund of all or part of any course fees or other amounts and you will remain liable to pay any such fees or other amounts which are unpaid at the time of discontinuance (whether the time for payment has fallen due), subject to that policy. All such amounts must be paid within one month after discontinuance or such longer period as SMTC permits.

2.5 You acknowledge that some States and Territories of Australia or Schools may have requirements for vaccination and/or COVID testing to work in childcare and school environments subject to certain conditions, which also apply to students seeking to undertake observation and teaching practicals. In addition, you acknowledge that SMTC may from time to time create policies in relation to in-person attendance to protect the health and safety of its students and staff as the COVID-19 pandemic develops. If you are not fully vaccinated with an COVID-19 vaccination approved in Australia the above may affect your ability to complete the substantial in-person course requirements and you accept full responsibility for this risk.

3. Deferral

3.1. If you do not satisfactorily complete all course requirements within the period of the course, SMTC may with the approval of AMI in certain circumstances grant you a deferral of up to one year to complete the outstanding requirements. Those circumstances include: (a) incomplete AMI course work: if you do not complete AMI course requirements (for example, material reference manuals (albums), Montessori material-making, supervised practice with materials, classroom observation, practice teaching, assignment work, or attendance at lectures), SMTC may in its discretion permit you up to the end of the twelve months following the end of the course to complete them. If SMTC does not offer the same course within that twelve months, you will be required to complete the course at another AMI centre; (b) examinations failed or not sat: if you do not pass, or are not permitted to sit, any of the examinations, SMTC may at its discretion permit you to sit, or resit, those examinations. 3.3. In any of the circumstances referred to in paragraphs 3.1(a) and (b), you will not be eligible to receive the relevant AMI Diploma until the end of the year in which you satisfactorily complete the relevant components of the course.

4. Award of the AMI Diploma

4.1. You must satisfactorily complete all the components of the AMI course to be eligible for an award of the AMI Diploma. The AMI Diploma will be awarded at the end of the course to each student who has by that time satisfactorily completed all the relevant components of the course and has fulfilled all other requirements in relation to the course (including payment of fees).

4.2. Except as described in section 3 above, if you fail any examination, or if you do not satisfactorily complete other course components as described or referred to in paragraph 2.1 above, you fail the course. In such a case, to obtain the AMI Diploma, you will be required, at your own expense, to re-enrol in another course and be a student and comply with all the requirements of that course. You would not necessarily have any priority in relation to an application for enrolment in any such course.

5. Undertakings and Obligations regarding Residency and Visa Status

5.1. SMTC must comply with strict requirements under Australian law, including but not limited to, the Migration Act and Regulations and the Education Services for Overseas Students Act. In order that SMTC may fully comply with its obligations under legislation, SMTC must satisfy itself as to various matters regarding your visa and residency status and your intentions regarding your future in Australia.

5.2. Accordingly, your enrolment as a student in the course will be based on the following representations and undertakings to SMTC:

- (a) That you are an Australian citizen, or, if you are not an Australian citizen, that you have supplied to SMTC, your visa and passport for inspection, together with any other original documentation relevant to your status as a visitor or a temporary or permanent resident of Australia;
- (b) That you will inform SMTC in writing immediately of any change to your visa status or right of residency in Australia;

- (d) That if you are not an Australian citizen, it is solely your responsibility to obtain and maintain a valid and appropriate Australian visa which entitles you to participate in the course and you must always comply with any visa conditions.

5.3 SMTC has no responsibility in relation to your obligations described in paragraph 5.2 above to maintain an appropriate visa and to continue to be entitled to be resident in Australia during the continuance of the course.

6. General Obligations

What are compassionate grounds?

Within 8 weeks of cancellation or termination of their enrolment, a student may make a written application to the Board for exceptions to this policy on compassionate grounds or due to extenuating circumstances.

Depending on the circumstances, the Board may, in its absolute discretion:

- permit the student to re-join the equivalent course in the future (where the course trainer and AMI also agree), subject to such conditions as SMTC sees fit; in which case all or part of the tuition fees held by the training centre will be applied towards the student's re-enrolment in the equivalent course in the future (but no refund is permitted including if the student does not complete all or part of the future course).
- permit a refund of all or some of the tuition fees above the amount otherwise stated in this policy.

The student is required to provide evidence to support their claim for relief on compassionate grounds to the satisfaction of SMTC, acting reasonably. Examples may include medical certificates suitable to SMTC.

Date of termination or discontinuance

Termination of a student's enrolment will be taken to occur on earlier of the occurrence of any of the following events:

- When SMTC receives written notice of the student's intention to discontinue the training program.
- When the student's enrolment is terminated by SMTC by written notice for a violation of a published SMTC policy, which provides for termination.
- When a student, without notice to SMTC, fails to attend classes for fifteen consecutive days on which a class is held.
- Where in-person attendance in Australia is required, when a student is found to be ineligible to study in Australia and their enrolment is terminated by SMTC.

Termination of your enrolment by SMTC

If your attendance, participation record, or your conduct or demeanour, indicates that you will or are likely to be unable to comply with any of the course requirements as specified in the Student Handbook, then SMTC is entitled to direct that you discontinue the course. You will only be entitled to a refund of any course fees or other amounts as stated in this policy. A student in this situation may make a written application to the Board for exceptions to this policy on compassionate grounds or in extenuating circumstances as outlined above.

Discontinuation of course by SMTC

In the unlikely event that SMTC is unable to deliver the course in full and discontinues the course, the student will be offered a full refund of all course fees paid to date. Alternatively, enrolment in another suitable course by SMTC may be offered at no extra cost to the student. The student has the right to choose between a refund of course fees or to accept a place in another SMTC course. If the student chooses a placement in another course, the student will be required to sign a statement that indicates their acceptance of the placement.

Notice in advance of the discontinuance must be provided by SMTC to students in writing.

SMTC shall communicate the options above to the student within fourteen days following discontinuance of the course. Refund payments due to the student will be made within a further fourteen days of the student notifying SMTC of its decision to accept a refund and providing SMTC with relevant bank account details to process the refund.

Refund payments

SMTC cannot process a refund payment until we receive a student's bank account details. Please provide these by submitting our "request for fee refund form".

Where course fees were paid for by a School, employer or centre, please be aware that we are generally obliged to issue a refund to that entity rather than directly to the student unless the entity provides written authorisation to our satisfaction for SMTC to pay the refund directly to the student.

SMTC defers the start date of the course

If SMTC defers a course commencement date by more than the timeframes set out below, SMTC will offer a full refund of total course fees to the student. Alternatively, the student may elect to commence the same or equivalent course at the deferred time proposed by SMTC. The relevant timeframes are:

- AMI Montessori Diploma - the course start date is deferred by more than 21 days.
- Foundation Certificate - the course start date is deferred by more than 3 days.
- Orientation Certificate- the course start date is deferred by more than 1 day.
- Workshops, Refreshers, and other courses - the course start time is delayed by more than 90 minutes.

Late Payment of Fees

Should you anticipate difficulties in meeting your payment of fees, written communication should be addressed to the

Training Centre Manager within 14 days of the payment falling due. An explanation of the circumstances as well as a payment plan should be included.

Please forward details to the SMTC Administration Centre via email..

SMTC may charge a late payment fee of 5% of the amount outstanding should payment be more than 30 days overdue.

Debt Recovery of Fees

In the event of any default in payment, the student shall pay to SMTC its costs of, and incidental to, the recovery of such sums as may be due from the Student to SMTC including all mercantile and like fees and legal fees and charges on a solicitor/own client full indemnity basis and any filing fees, taxes or any other fees payable, assessed or incurred in relation to such recovery process.

Where a school or employer agrees with SMTC to pay fees on the student's behalf, SMTC may also pursue the school or employer for the unrecovered fees in event of any default in payment. SMTC may pursue the unrecovered fees from the school or employer without first taking action against the student, or pursuing any other available recourse, and may be enforced despite any neglect or omission to enforce any rights against the student.

Additional Fees Payable

Additional fees may become payable by students in the circumstances outlined in SMTC's "Additional Fees Schedule" included in the SMTC Student Handbook for your course or, if there is no handbook for your course, as posted on SMTC's website.

Policy review and communication

The Policy shall be reviewed every year, or in the event of a change of a relevant law, event, organisational change or information that would demonstrate the need for a review.

Any change to this policy should be communicated to the following people via email within 7 days of the policy changes being approved by the SMTC board:

- All board members.
- All staff members; and
- Current students participating in or enrolled in SMTC courses.

It should also be uploaded to the SMTC's website under the "student information" tab.

Last update

This version of the policy has effect from December 2021 for all courses commencing from the start of the 2022 year. SMTC reserves the right to update this policy from time to time.
